

A properly functioning instrument is crucial to the learning process. If your instrument isn't working well, neither is your practicing! At Annapolis Bows & Violins, we are passionate about supporting music education by providing well-made, professionally set-up instruments at affordable rental prices for students of all ages and levels.

## STRING INSTRUMENT RENTALS

- Annapolis Bows & Violins rents violins, violas, and cellos.
- All rentals include the instrument, bow, case, rosin, shoulder sponge (violins/violas), and microfiber cleaning cloth.
- Each instrument is professionally set up and play-tested in our workshop before being sent out.
- If needed, we can help determine the correct size for each student, and you can trade up to the next size as the player grows.
- Annual maintenance and repairs/support are included with every rental for no additional cost. If any issues arise, bring the instrument to our shop in a timely manner, and we will repair or replace it. (This coverage does not include loss, theft, or damage caused by intentional destruction.)
- A credit/debit card is required, and rental fees are billed automatically on the 1st day of each month.
- For the first year, a percentage of the rental fee accumulates as store credit, which may be used at any time toward the purchase of any retail instrument at Annapolis Bows & Violins.
